Lannon has an amazing, long-standing history of holding spectacular parades surrounding their annual picnics and anniversary celebrations. It's been awhile since there has been one like this, though. Let's make the 90th anniversary parade just as amazing as they used to be decades ago! All Lannon businesses, organizations, clubs and residents are encouraged to sign up and enter a float to honor Lannon's 90th anniversary. If your child (newborn - 12yrs old) doesn't have their own group to enter, you may enter them into the "children's parade" section, where they can decorate their bicycle/scooter (all non motorized) or adults can push or pull their children in a wagon or stroller.

Once parade entries are approved, you will get confirmation of such. If you are on Facebook, a Facebook Event will be created for all information regarding parade participants. You may join this event to stay up to date on the latest information. Lineup numbers will be assigned and on August 15, you will need to line up behind St. John's Church accordingly.

Thank you for all of your support!
