WAUKESHA COUNTY

VILLAGE OF LANNON

RESOLUTION NO. _____

RESOLUTION ADOPTING THE RECOMMENDATION OF THE VILLAGE ENGINEER TO RECOGNIZE AND
DECLARE THE EXISTENCE OF A BLIGHTED CONDITION IN THE VILLAGE WITH RESPECT TO THE
WATER AVAILABLE TO PRIVATE WELLS

WHEREAS, the Village of Lannon (“Village”) has a municipal water system (“System”) that services a portion of the territory of the Village; and

WHEREAS, the Village has received a Letter dated March 9, 2020 from its Village Engineer documenting a health hazard prevalent within the water supply available to private wells within the jurisdiction of the Village and attached hereto as Exhibit A; and

WHEREAS, the Village has embarked on plan to expand its System to include as many parcels as financial feasible within the Village in an effort to protect the citizens of the Village from the health hazard detailed in Exhibit A; and

NOW, THEREFORE, the Village Board of Trustees of the Village of Lannon do hereby ordain as follows:

BE IT RESOLVED, that Exhibit A, in its entirety, be adopted as Findings of the Village Board.

BE IT FURTHER RESOLVED, that as a result of the above Findings, a blighted condition is hereby declared with respect to the water supply available to private wells within the jurisdiction of the Village effective as of March 9th 2020, the date that the Village Board received Exhibit A.

Adopted this 9th day March, 2020.
