Dear Resident:

The Police Department is asking your assistance in finding off-street parking for your vehicle in the winter months. It is the goal of the village to limit parking on village streets during winter months to make snow removal easier and more efficient.

Village parking ordinances:

70-61(a): Restricts parking on village public and private streets to 30 minutes between 2:00 AM and 6:00 AM.

3-129: A vehicle left on any village street for more than 48 hours will be considered abandoned, and is subject to being cited and towed at the owner's expense.

Respectfully,

Daniel Bell
Chief of Police
