CONSTRUCTION NOTIFICATION

Village of Lannon Water Main System Extension

Insert Project Location

NOTICE TO PROPERTY OWNERS, DATED *Insert Date*

We will begin water main installation on *Insert Date*. After water main installation, pavement and turf restoration are anticipated to be completed by *Insert Date*, weather dependent.

Your street will be closed to through traffic until the work has been completed. Property owners will have access to their driveways during this time.

We will work to keep this inconvenience to a minimum.

Mid City Corporation will be in contact with you regarding final private property connections after the water main has been installed.

Visit www.villageoflannon.com/water for weekly construction updates and additional project information.

Should you have any construction questions, please feel free to contact:
Isak Fruchtman - Strand Associates Inc. onsite project representative
414-982-2300 x1535

If there is an urgent construction matter, please contact:
Joel Fielding - Vinton Construction Company
920-374-0252

Sincerely,

VINTON CONSTRUCTION COMPANY
Mitch Tulachka
