VILLAGE OF LANNON UTILITIES E-BILL FORM/SIGN UP

The Village of Lannon Water & Sewer Utility offers our customers the choice of receiving their utility bills via e-bill. In order to switch your account from the standard mailed bill to e-bill, the Wisconsin PSC requires the utility to obtain written consent and the customer's signature.

Bills will be sent from the Clerk's email address. Our Utility billing system Workhorse Software generates the e-bill to the customers. Due to the large quantity of e-bills being sent out to our customers at one time, your system may consider our emailed e-bill as spam. If you do not receive your e-bill please look in your spam folder. Once you sign up for e-billing, you would no longer receive a mailed bill.

Please provide the following information:
