

LANNON BIKE AND PEDESTRIAN PLAN COMMUNITY MEETING

Lannon Elementary School Gymnasium

7145 Lannon Rd

Thursday October 30, 2025

5:00 PM - 7:00 PM

The Village of Lannon is developing its first-ever **Bike and Pedestrian Plan** to evaluate existing walking and biking conditions, and make recommendations for new infrastructure and policies in the Village. It will also address Safe Routes to School for children. We are seeking feedback at an upcoming community meeting!

Come engage in interactive activities and discussion! Parents, drop your kids off in the Gym while attending parent conferences, and join us afterwards to give your input. We'll have engagement activities for all ages!

You can find project information and more ways to get involved at villageoflannon.com/bike-pedestrian-plan
